

PROJECT MANAGER, GLOBETROTTER AND MARINE OPERATOR

ONEKA TECHNOLOGIES

Make the oceans the most sustainable and affordable source of drinking water

Oneka Technologies, a growing company in Sherbrooke, Qc, whose mission is to make the oceans the most sustainable and affordable source of drinking water for coastal populations. To achieve this, the Oneka team developed technology to produce potable water by using the wave energy to desalinate seawater. This technology will enable coastal communities and industries to obtain potable water produced in an environmentally friendly and economical manner.

JOB DESCRIPTION

The Project Manager will be responsible for ensuring the proper deployment of projects by coordinating different contractors and ensuring the proper operation of the Oneka buoy farms. This will involve preventive maintenance and repairs that generally take place at sea.

- Coordinate civil and marine contractors for project deployment;
- Perform marine operations for buoy installations and de-installations;
- Mechanical work for repairs and preventive maintenance of systems;
- Perform various mechanical assemblies;
- Communicate improvement and modification points to the engineering team.

REQUIREMENTS AND DESIRED PROFILE

- Desire to have a lasting impact on the future of our planet;
- Good communication through working with contractors; Capacity to negotiate;
- Autonomous and enterprising person;
- Small boat captain, comfortable on the water;
- Do-it-yourselfer, technician or person who is good with his hands;
- Good mechanical understanding (pipes, nuts, assembly etc.);
- Commitment, empathy, creativity and rigor.
- Assets: diver, hydraulics, structure, composites, electronics, water treatment, etc.

ENVIRONMENT AND WORKING CONDITIONS

- Salary to be discussed;
- Most time travelling in: Nova Scotia, Florida, Chile, the Caribbean;
- Paid group insurance including dental care;
- Diversified tasks;
- Part of the team will come to accompany the manager from time to time and will work with several subcontractors.

PERMANENT POSITION - START DATE TO BE DISCUSSED
